Stewardship

Harvesting the seeds planted in faith

GALATIANS 6:9

A Note From Our Pastor

Dear Friends,

In the springtime of the year we invite each of our parishioners to make a commitment to give generously of their time and talent for the sake of the Church and for the good of the whole community. Stewardship is living out a commitment to be Christ-centered rather than self-centered. This conversion is the result of our total self being focused on God as the Creator and giver of all good gifts. It is from this perspective that we are always profoundly grateful and willing to share our God given gifts.

Give some time and prayerful thought to how you might share your gifts with St. Anne Parish and with the wider community. Your gifts are given to you to build up and to renew the Body of Christ, the Church. Share your gifts generously out of love of God and one another, and return them with increase to the Lord.

Sincerely yours in Christ,

A handwritten signature in black ink, reading "Jeremiah J. McNaughton". The signature is written in a cursive style with a large initial 'J' and 'M'.

Stewardship Prayer

Almighty God, I give thanks for all that I have & all that I am. Most of all, I give thanks for the great gift of Your Son, Jesus. I pray that through a personal relationship with the Risen Christ, my heart will be open to continued conversion in my life.

I pray that I may be a good steward; that I will follow faithfully, serve joyfully, give generously, live responsibly, and possess sensibly.

In gratitude for the abundant gifts You have so graciously given to me, I return to You the first fruits of these gifts, through acts of service & by generously sharing all that You have entrusted to me.

Heavenly Father, by Your Spirit, help me to be a gift to others,
in Your name. Amen.

“...A community needs a soul if it is to become a true home for human beings. You, the people must give it this soul.”

John Paul II
